For the past two years, a special theme has ben used as a focal point for the school district. The theme for the 1985-86 school year has been "Arcadia is Tops." This short phrase definitely indicates the sincere pride the community has in its school system. This community pride and concern for the Arcadia Local Schools was clearly shown in November when the citizenry overwhelming renewed both an emergency operating levy and a permanent improvement levy. This continued financial support will enable the school system to maintain the fine educational program the public has come to expect and appreciate.

Even though the Arcadia Local schools is a smaller "A" school system, it has been able to offer a comprehensive instructional program for its students; employ highly qualified professional and support staffs; encourage high academic standards; and maintain a pleasant physical plant. This fine learning environment is the envy of much larger schools. Truly, "Arcadia is Tops", and by the continued involvment and committment of all the school publics, it will stay just that way.

CURRENT EVENTS '85-'86

SEPTEMBER 19, 1985 — A devastating earthquake struck Central Mexico, toppling buildings, triggering fires and trapping hundreds of people in the rubble in Mexico City, the world's most populous capital. The quake measured 7.8 on the Richter scale and caused millions of dollars in damage.

JANUARY 28, 1986 — NASA suspended its 1986 shuttle schedule after a catastrophic explosion blew apart the Space Shuttle Challenger 74 seconds after lift-off sending the seven astronaut crew to a fiery death. The cause of the accident was a malfunction of the right rocket booster leaking fuel that caught on fire 10 miles above the Earth.

NOVEMBER 19, 1985 — President Reagan and Soviet leader, Mikhail Gorbachev met face to face for the first time at a summit in Geneva, Italy. Nuclear arms control, regional disputes and matters of mutual interest were items on the agenda. Although the talks failed to break the deadlock on superpower arms control, this meeting was one step toward a solution.

JANUARY 31, 1986 — An earthquake with a magnitude of 5.0 on the Richter scale, centered 30 miles northeast of Cleveland, Ohio was felt in 9 states and Ontario, Canada. Although it didn't cause extensive damage, it did crack concrete in buildings across the area and knocked food off of grocery store shelves.

MARCH 24, 1986 — After Libya fired six missles at U.S. jets operating below Col. Moammar Khadafy's "line of death" in the Gulf of Sidra, the Navy's 6th fleet opened fire. Two Libyan patrol boats were sunk and the radar-guided missle facility at Sirte was attacked. Three days later the U.S. withdrew from the Gulf of Sidra saying the mission was accomplished after Libyan forces gave up any pretense of further military challenge to the 30-ship battle group led by 3 aircraft carriers carrying about 250 planes. (In January, 1986, the U.S. Navy began conducting maneuvers in the Mediterranean Sea following terrorist attacks that were believed to have been supported by Khadafy.)

APRIL 28, 1986 — A radioactive cloud spread across northeastern Europe in one of the worst nuclear accidents in history. The Chernobyl nuclear reactor complex in the Soviet Ukraine experienced a meltdown of the core in one of the reactors. Because the temperature reached 7,232° F, extinguishing the fire was virtually impossible so it was left to burn until the fuel supply was depleted. Although only a few people were reportedly killed, many more are expected to be affected by the intense radiation.

NOVEMBER 1985-APRIL 1986 — Although Halley's Comet made its closest approach to the Earth in 76 years, it wasn't very easy to see in this area as well as much of the Northern Hemisphere. It reached its greatest brilliance in early April and then continued on its 7-billion mile journey to Neptune and back. It won't return until the year 2061.

1986 JUNIOR-SENIOR PROM

Prom King & Queen: Tom Rozelle and Kim Rader

The prom this year was held on May 10th at the Fostoria Country Club. The dance was held from 8:00-12:00 P.M. with music provided by "Mecca."

Post prom began at 1:00 A.M. with the movie "Critters" shown at Twin Palace.

The second post prom event was bowling at Sportsman Lanes.

Post prom was rounded out with a buffet-style breakfast at Frisch's.

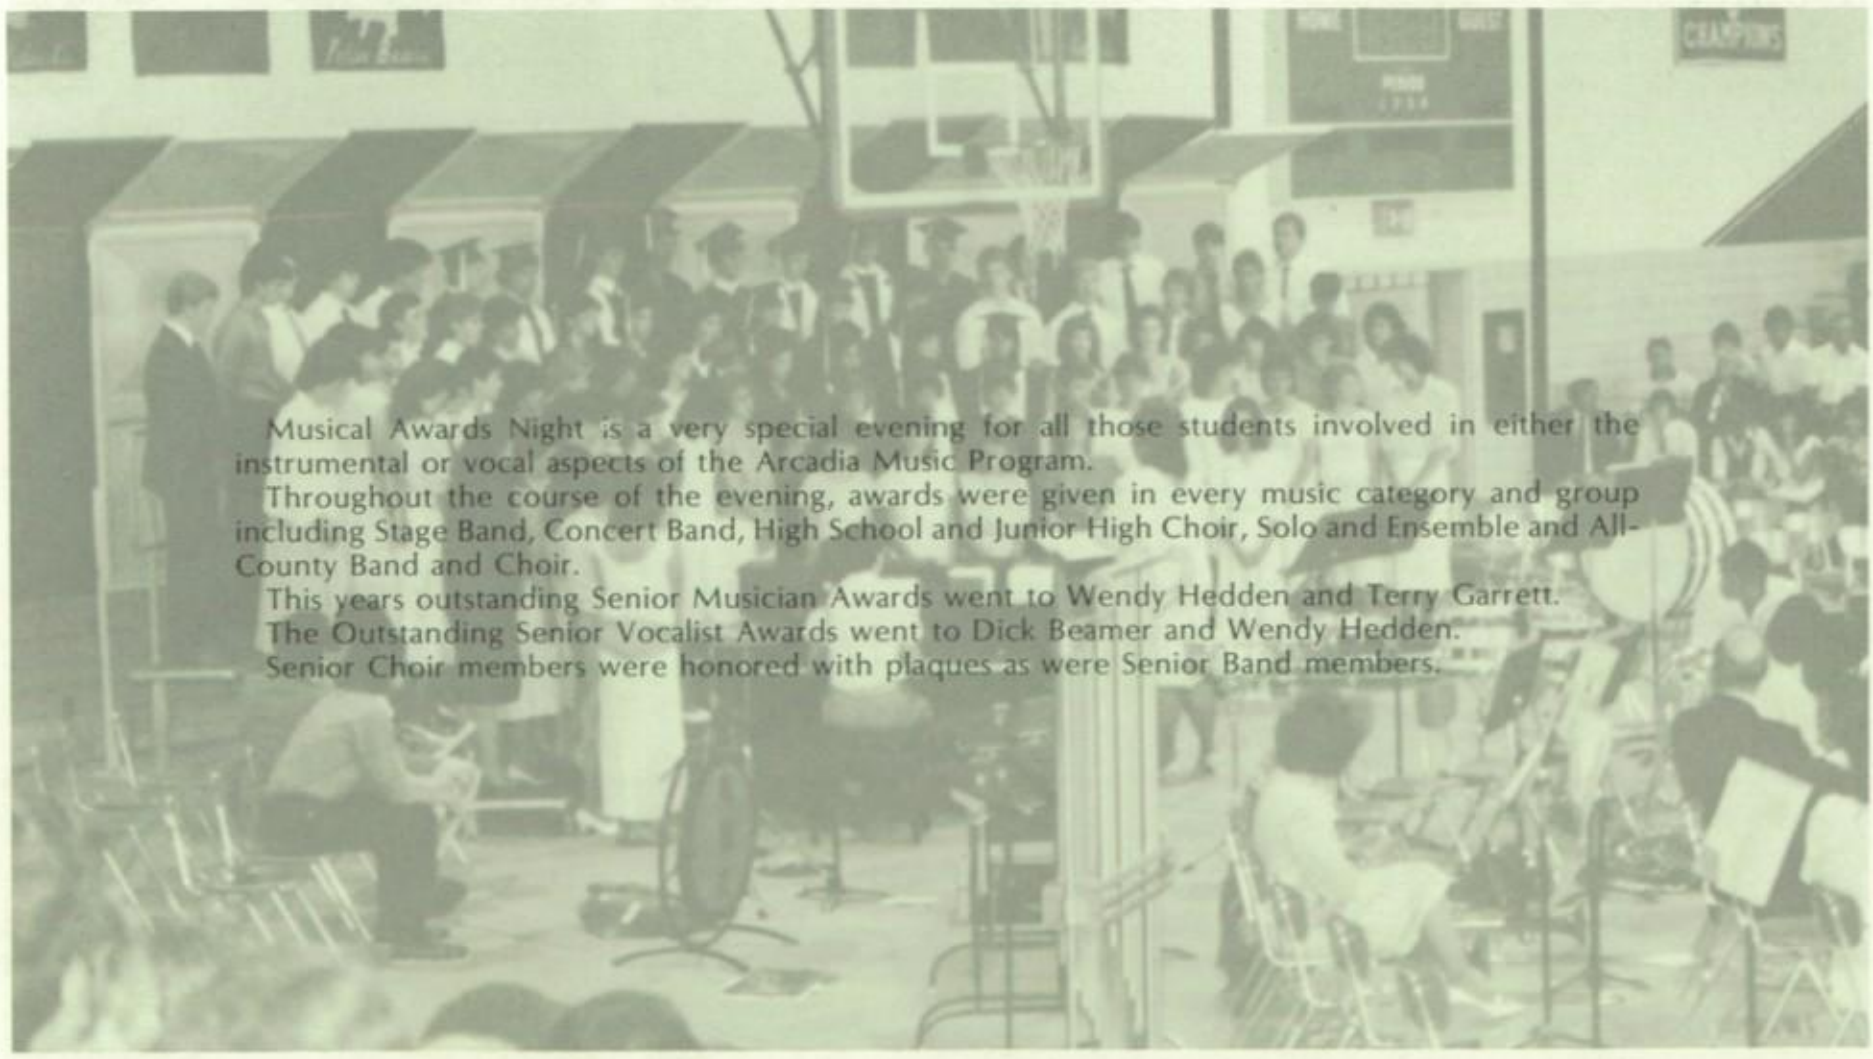
MUSICAL AWARDS NIGHT — MAY 12, 1986



Musical Awards Night is a very special evening for all those students involved in either the instrumental or vocal aspects of the Arcadia Music Program.

Throughout the course of the evening, awards were given in every music category and group including Stage Band, Concert Band, High School and Junior High Choir, Solo and Ensemble and All-County Band and Choir.

This years outstanding Senior Musician Awards went to Wendy Hedden and Terry Garrett.

The Outstanding Senior Vocalist Awards went to Dick Beamer and Wendy Hedden.

Senior Choir members were honored with plaques as were Senior Band members.

A NEW TRADITION . . . 1986 JUNIOR-SENIOR BREAKFAST

A new tradition began at Arcadia High School this year with the introduction of the Junior-Senior Breakfast.

After opening remarks, breakfast was served by the Sophomore class.

Following breakfast, a dedication was made to Tammy Harmon and the activities began. During the course of the morning, the class history, prophecy, and poem were read. There were four guest speakers: Marilyn Noel, Barbara Ebersole, Jane Snyder, and Judith Stewart (who opened the class time capsule).

Passing the class key.
